Knowledge Transfer Agreement

for Sage 100 ERP

July 16, 2014

Aries Technology Group, LLC (Aries) is pleased to present to CustomerName our proposal for support and services for Sage 100 ERP.

- Sage 100 Support and Services
 - Includes unlimited technical support for your Sage 100 system for 12 months beginning August 1, 2014.
 - Includes the upgrade to Sage 100 Version 2014. Aries will ensure correct functioning of all custom designed reports in all modules, customized screens, UDFs and forms.
 - Includes installation of Sage 100 product updates, hot fixes and tax table updates issued by Sage during this 12-month agreement.
 - Includes training of appropriate CustomerName staff members on new features of Version 2014 as well as new features released in the product updates.
 - Includes 3 custom Crystal reports. The functionality of those reports are to be determined by CustomerName.
- Customization Support
 - Version 2014 upgrade and support for all Work Order module customizations.
 - Production schedule report
 - Materials planning report
- Price
 - The price for this Support Agreement is \$_____ plus sales tax (total price of \$_____) and is due August 1, 2012.
 - The price includes our 100% money-back guarantee. If you are not 100% satisfied with the results of Aries performing the tasks described above, we offer you a money-back guarantee.
 - The price does not include:
 - Sage annual maintenance plan.
 - BizNet annual maintenance plan.
